TOWN WARRANT

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Atkinson, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Academy School in said Atkinson on Tuesday, the 9th day of March next at ten o'clock in the forenoon, and close not earlier than seven o'clock in the evening to act upon the following subjects:

1. To choose all necessary town officers for the coming year.

2. To see if the Town will vote to authorize the Selectmen to administer or otherwise dispose of any real estate by tax title or otherwise, either by bid or by public auction, providing that if such property is to be sold at public auction, then the same shall be advertised 15 days in advance of sale with notice thereof posted in three public places. The Selectmen reserve the right to refuse any or all bids.

(Submitted by Selectmen)

3. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to implement the exercise of those rights and powers of cooperation with and assistance to the Town of Atkinson Housing and Redevelopment Authority, as conferred by N.H.R.S.A. c.203 and c.205, by means of agreements for the loaning of money for the purchase of portions of the Project Area, within Zone 6.

(Submitted by the Atkinson Housing and Redevelopment Authority)

4. To see if the Town will vote to raise and appropriate the sum of forty-five thousand dollars (\$45,000.00) to implement the exercise of those rights and powers of cooperation with and assistance to the Town of Atkinson Housing and Redevelopment Authority, as conferred by N.H.R.S.A. c.203 and c.205, by means of agreements for the purpose of constructing a water hole, pumping station, drainage ditches and necessary water lines within the Project Area, No. 6, and to raise the same by the issuance of bonds or notes in accordance with the provisions of the Municipal Finance Act. Chapter 33 of the R.S.A. as amended; to authorize the Selectmen to so issue and negotiate said bonds or notes in the name of and on the credit of the Town, said Selectmen to have the discretionary powers described in Section 8 of said Chapter 33 in respect to said notes or bonds.

(Submitted by the Atkinson Housing and Redevelopment Authority)

5. To see if the Town will vote to raise and appropriate a sum not exceeding twenty-eight thousand dollars (\$28,000.00) for the purpose of constructing the following Class V roads within the Town; Governor Wentworth Drive and Colonel Atkinson Drive, such sums to be raised through issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, as amended, and to authorize the Selectmen to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interest of the Town of Atkinson.

(Submitted by the Atkinson Housing and Redevelopment Authority)

6. To see if the Town will vote to accept the following trust funds for perpetual care of cemetery lots: Clarence Kinney Trust Fund - \$300, Margaret Kinney, donor; William M. and Louise M. Mazlett Fund - \$200, William M. and Louise M. Hazlett, donors; Ross E. Colcord Trust Fund - \$300, J. Harold Colcord, donor.

(Submitted by Selectmen)

7. To see if the Town will appropriate the sum of one dollar (\$1.00) to study the feasibility of developing the town beach property and the Pope Road recreation area in conjunction with the Southern Rockingham Regional Planning District.

(Submitted by the Atkinson Recreation and Conservation Committee)

8. To see if the Town will raise and appropriate the sum of two hundred dollars (\$200.00) for the Greater Salem Mental Health Association for services provided for many of our children.

(Submitted by Selectmen)

9. To see if the Town will raise and appropriate the sum of five hundred dollars (\$500.00) to reclaim the pond on Sawyer Avenue used as a town water hole, and to install two (2) dry hydrants at the new water hole on Academy Avenue.
(Submitted by the Selectmen)

10. To see if the Town will raise and appropriate the sum of nine thousand nine-hundred thirty dollars (\$9,930.00) to build a town shed at the rear of the Town Hall.
(Submitted by the Selectmen)

11. To see if the Town will authorize the Board of Selectmen to appoint a steering committee, consisting of not fewer than three members and a Selectman as a member ex-officio, to perform an in-depth investigation of the requirements necessary to prepare an Implementation Plan for the establishment of a full-time Police Department in the Town of Atkinson.
(Submitted by Selectmen)

12. To see if the Town will raise and appropriate the sum of one-hundred dollars (\$100.00) to pay the expenses incurred during the preparation of a full-time Police Department Implementation Plan.
(Submitted by Selectmen)

13. To see if the Town will vote to establish an annual salary for the office of Tax Collector of two-hundred dollars (\$200.00) plus a fee of \$1.35 per property tax bill, to be raised and appropriated by the town, in addition to any fees authorized by the State Statutes. Such salary and fee schedule to become effective January 1, 1971.
(Submitted by Selectmen)

14. To see if the Town will vote to raise and appropriate the sum of one thousand one-hundred eighty-five dollars (\$1,185.00) for the purchase of a snow plow blade.
(Submitted by Selectmen)

15. To see if the Town will raise and appropriate the sum of thirty thousand dollars (\$30,000.00) for the purchase of a fire pumper, \$18,000 to be raised by issuance of notes or bonds, the balance to be transferred from the "Capital Reserve Fund" established for this purpose. Issuance of such bonds or notes of the town should be made in accordance with the provisions of Chapter 33 RSA, known as the "Municipal Finance Act" and, to authorize the Board of Selectmen to negotiate and issue said notes or bonds upon the credit of the town and to fix the rate of interest and all other terms thereof, and to take other action as may be required to effectuate the purpose of this vote.
(Submitted by Selectmen and Atkinson Fire Department)

16. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations for the same.

17. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to hire such sums of money as the Town will need in anticipation of taxes.
(Submitted by Selectmen)

18. To hear the reports of the Town officers and Committees, act on the same and transact any other business that may legally come before the meeting.

Given under our hands and seal, this twenty-second day in February in the year of our Lord, nineteen hundred and seventy-one.

SELECTMEN'S REPORT

The year 1970 has been a trying year as we had a transformation of Selectman offices into the Town Hall, plus with the cost of living rising steadily, we resolutely held our expenses to a minimum. The austerity program will hold the tax rate compared to the National Average increases. To uphold our austerity program, we should keep one thought in mind, expend the necessities that must be met and ask ourselves if this is something we need and can afford to be without for the time being.

I would also like to thank all our board members and our Department Heads for their fine cooperation and service during this past year.

HABIB W. HABIB
Chairman

REPORT OF THE FIRE DEPARTMENT

The year 1970 has placed a greater burden on your Fire Department with an increase in fire calls due to growth and population.

Training with the men has been in actual fire conditions where buildings were used and the techniques of fire, how to control fire and extinguish fire, took place on Academy Ave. and East Road. A fire course was taken by some of the men at Brentwood and also at Meadowood, plus a four-week training course on uses of Scot Air Packs in all forms of fire conditions given by instructors from the State of New Hampshire here in Atkinson.

Again this year, we would like you to notify Lt. John Donaldson at 5637 or any member of the department if there should be an invalid in your home. Also, if there should be anyone ill depending upon an electrical operated medical equipment, the department should be notified so that emergency action can be taken should the need arise.

Many thanks go to the women who answer the red network phones and radio operators. These women also answer many calls that are not fire related. The red network line 5311 is for reporting of fire ONLY.

Our Junior Department, under the direction of Lt. George Powers, is a well functioning part of your fire service, made up of young men from the ages of 16 to 21. These young men are trained and fully equipped and learn all aspects of fire fighting as the regular men do. They are not allowed inside a burning building. Many thanks for their support and hard work this past year.

We are fortunate to have our day crew. They consist of men that are here in town during the day. These men are required to attend four training sessions to keep them up-to-date.

To the Women's Auxiliary, we wish to extend our thanks for their support and for the power saw they gave to the Department.

To the Citizens, we extend thanks for your support in our Turkey Raffle and Dance and other functions.

I wish at this time to personally thank all members of the Department for their unendless support.

DONALD L. MURPHY
Chief

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

The fire season of 1970 was not a quiet one in this area, on the contrary, it was a very busy time with some towns reporting a greater number of fires than in past years. This record is not good.

Both state and towns are striving to meet this challenge. Results show that we are not doing enough, we must do more in the matter of fire prevention education, a more active inspection program and a more prompt, complete investigation of fires where definite cause is not known, with court action where the need is indicated.

We must insist that minor children are given needed supervision, this is a parent's responsibility. Your Warden and District Chief stand ready to help in this work.

Our gratitude to all who have helped in forest fire prevention and suppression this past year and we look forward to this continued help in our effort to improve our good prompt detection system and fast suppression action. This, coupled with a good prevention program, will improve our fire record. Follow these simple suggestions to help:

Set a good example for others by observing fire permit laws and regulations; take your debris and waste to the town dump; keep matches away from children and be sure your smoking material is dead out when discarded.

Number of fires reported and acres burned - 1970 season:

STATE	484 fires	244 acres
DISTRICT	189	170
TOWN	2	3

RALPH STEVENS
District Fire Chief

DANIEL STEWART
Forest Fire Warden

REPORT OF THE POLICE DEPARTMENT

Another year passes and happenings which took place in our town become part of the town history and records. As Chief of the Atkinson Police Department, once again it is my pleasure to submit my annual report for the year of 1970.

I need not tell you, the year of 1970 was an eventful year, what with our town being the scene of one of the largest manhunts in the State of New Hampshire, during which time there were more than 300 law enforcement officers from New Hampshire and Massachusetts searching for the notorious William Gilday. In addition to the aforementioned, there were many other events such as motor vehicle accidents, house breaks, stolen automobiles being abandoned, speeding, littering, searches for lost persons and domestic problems, all of which kept the personnel of the department on the road at all times both night and day, and in all sorts of weather.

The following information is hereby submitted for your consideration and intended to apprise you, the residents of our town, how the men of the Atkinson Police Department served all of you, during the year of 1970.

Town Road Patrol	1,082
Special Patrol	255
Complaints	702
Emergencies	188
Automobile Accidents	230
Fire Calls	<u>12</u>
	2,469 Man Hours

A total of one hundred and sixty-seven summonses were issued by the men of the department and processed in Plaistow Court during 1970.

Our Blue Network telephone system handled a total of one thousand six hundred and ninety-three (1,693) calls from residents. The nature of these telephone calls were varied and covered reports of accidents, house breaks, suspicious automobiles, vacation leavings and returns, domestic problems, etc.

It is my opinion, that as a result of the above mentioned telephone calls, very many thefts and other police problems were minimized and in some cases terminated. Once again, for the benefit of our new residents having moved into town during the year of 1970, I am inserting the Blue Network telephone number, it is 5536, when calling this number a total of five telephones will ring, these five telephones are located in the homes of police officers in various sections of town, and in a matter of minutes an officer will be at your home to handle any and all emergencies. The department asks you, the residents, to take advantage of the "Crime Alert" program, by calling for an officer to check out something of a suspicious nature, you are benefiting not only yourself but also your neighbor. When calling for an officer, state your name, address, nature of the call, speak clearly and slowly.

During the year of 1970, the department added and appointed two additional police officers, these officers are: Robert McCarthy and Donald Nye.

The department purchased an additional cruiser radio and a remote control unit, this purchase was made possible through funds made available to the department with the acceptance of Article #6 of the Town Warrant, at Town Meeting in March of 1970. This new radio brings our total of radio equipped cruisers to six in all. The new remote control unit has been installed at the Conley residence and is in full operation.

In conclusion, I would like to take this opportunity to thank the many residents and organizations in town who have set up scheduled activities throughout the year, for the younger set, this sort of activity has helped to reduce loitering and vandalism here in town, especially at Halloween time.

My sincere thanks to each and every man of the department for their continued and devoted loyalty to uphold the laws of the State of New Hampshire, without this devotion to duty, the department would not function as efficiently as it has in the past years.

Respectfully submitted,

WILBUR R. MOODY
Chief of Police

REPORT OF THE HIGHWAY DEPARTMENT

During the year 1970 - all culverts and catch basins have been cleaned. Cutting shoulders, as well as ditching has been done so far as appropriations would permit.

Roads that have been resurfaced in 1970 are:

Green Hill Road	Sunset Drive
Robie Lane	Willow Vale
Bluebird Lane	Westside Drive
Pheasant Lane	Meditation Lane (section)
Kipcan Road	Maple Avenue (section)
Summit Drive	

Two pieces of road that were rebuilt under T. R. A. funding:

750' Maple Avenue 800' Sunset Drive

Several diseased and/or dead trees were removed on Maple Avenue, Sawyer Avenue and in Conley's Grove. The stumps of these trees will be removed this year by chipper process.

During the summer, the plows were repaired and painted. The town owns four plows. One plow is 9 years old, one 26 years old, one 28 years old and one 40 years old. Although we replace the cutting blade of these plows often throughout the winter, the general maintenance of these older plows is becoming a greater expense than they are worth. It is time we consider replacement.

I hope the Townspeople will give serious consideration to the building of a Highway Shed to house all town highway equipment. This shed would also house our winter salt supply.

I wish to express my appreciation to the Townspeople for their cooperation during the past year.

Respectfully submitted,

DANIEL W. STEWART
Highway Agent

REPORT OF THE KIMBALL PUBLIC LIBRARY

This has been a very encouraging year at the library. Many more people have been making use of the new fiction, non-fiction, and reference materials. This continued growth has been possible through the cooperation of our townspeople in allowing sufficient funds to carry on the present program. We have been able to greatly improve our reference section the past few years because of such interest on the part of the townspeople. We are very fortunate to have so much interest shown and in response, we will try to keep raising the standards of our library.

Due to the lack of funds at the State Library, the bookmobile has been here fewer times. However, through careful planning, they are able to leave more books for a longer period of time.

During the year, we bought two beautiful large polyconic projection maps, one of New Hampshire, the other of New England. They are mounted on frames and are very accessible. Attached to both are instant location finders, making it very easy for children to use.

More people are availing themselves of the Tuesday afternoon hours which is gratifying. We are working with the school children and the schools providing materials when requested.

We subscribe to several magazines due to a sudden interest in magazine articles, particularly by the young people. The State Library very obligingly furnishes us materials we do not have. In many instances, if they do not have the materials, they immediately send out a call to all other larger libraries within the state. They need to be complimented as they almost never fail with this service.

During Children's Book Week, we had an appealing display of children's books and to create more interest in this occasion, many local artists brought in their paintings and sketches for exhibition. The school children as well as many interested people came to observe these works of art and felt that this was an occasion to be remembered.

We would like to thank several of our patrons for their contributions of subscriptions to various magazines and newspapers.

A new service offered to our patrons this year is the State Wide Library Card. This card is issued to patrons "in good standing" of the local library, and can be used in any library in the state that offers this service.

We were sorry to lose Mrs. Muriel Hirsch, our first assistant, who was most cooperative and extremely capable. However, we were most fortunate to be able to retain the services of our second assistant, Miss Katherine Lang. Miss Lang will be available on a more regular basis and we find she is also a very capable and competent person.

As a further convenience the library driveway has been re-surfaced and widened.

Once again this year the state has contributed \$100.00 to enable us to buy more reference materials.

We would like to take advantage of this opportunity to thank the many patrons and friends of the library and hope that others in the community will avail themselves of the services offered by your library.

Balance, December 31, 1970	\$ 60.05
----------------------------	----------

REPORT OF THE PLANNING BOARD

Your Planning Board has met regularly all through the year 1970, and while great decisions have not been necessary the Board would like to report that there have been a number of small subdivisions approved mostly to allow a second house on an approved lot to be built.

At the last Town Meeting, certain amendments to the Building Code were proposed to the voters and because of some technicality were voided after the vote. These same amendments are proposed again this year in order to bring the Building Code up to date and in order to more adequately recompense the Building Inspector. The Board strongly recommends your favorable vote on these improvements in the Building Code.

During the past year, a new processing plant was established on Providence Hill Road. The purpose of this plant was to convert manure and straw into fertilizer and mulch. As conceived, this plant would not have been a nuisance and would have also served a worthwhile purpose of disposal of rubbish and septic tank contents. However, the developer of this plant did not comply with the agreement made with this Board and except for some composting, the process has been stopped. There has been Court action and further Court action is anticipated before the matter is adjudicated favorable. These actions have been taken by the Board and by the Selectmen against the Processor.

Respectfully submitted,

MAURICE COLLINS, Chairman

HERBERT Q. HORNE, M. D., Secretary

REPORT OF THE HEALTH OFFICER

So far as problems are concerned, your Health Officer has not had a very busy year. Serious contagious disease is on the wane due to all the pre-school injections and drops.

There have been the usual number of sanitary examinations in conjunction with the State department of Pollution Control. One new directive has been received to the effect that certificates of occupancy in new dwellings within 1,000 feet of waterways shall not be issued until after the water supply (well) is completed.

The sanitation of the processing plant was thoroughly appraised before the plant was established and conferences were held with the Commissioner of Pollution Control. If the processor had completed the plant as planned, there would have been no pollution either to the senses or as to contamination of waterways. This process is now in abeyance until the processor fully complies with the agreements worked out with the Planning Board.

Respectfully submitted,

HERBERT Q. HORNE, M. D.

Health Officer

REPORT OF THE BUILDING INSPECTOR

There has been a substantial increase in new construction this year. Forty-nine permits were issued (the same as last year). However, there were twenty-nine permits for new homes, one Efficiency Apartment, and one Industrial building (revoked).

The recap, below shows all construction and estimated value:

	<u>Construction</u>	<u>Est. Value</u>
29	New Homes	\$674,000
1	Efficiency Apartment	40,000
11	Alterations/Additions	34,000
3	Garages	4,300
3	Swimming Pools	6,750
1	Trailer	<u>500</u>
	TOTAL VALUE	\$759,550
	Estimated Taxable Value as Equalized	\$607,640

COMPARISON OF PREVIOUS YEARS

<u>No. of Permits</u>	<u>Year</u>	<u>Total Est. Value</u>
49	1969	\$485,600
31	1968	185,400
42	1967	342,500
48	1966	463,550

There was 34% more new construction this year, a trend that should continue due to the availability of mortgage money and lower interest rates.

Respectfully submitted,

PETER R. PERRI
Building Inspector

REPORT OF THE BOARD OF ADJUSTMENT

The Board of Adjustment met on two occasions during 1970 to render a decision on a request for a variance of the zoning laws and to consider an appeal from an administrative decision.

C. CARROLL ROCK
Chairman

ATKINSON RECREATION AND CONSERVATION COMMISSION

This year, the commission has further developed the Pope Road Recreation Area. With the help of the Neighborhood Youth Corp, picnic tables were built and fireplaces erected. The road into the area was widened for better means of transportation into the area. It has already become an established place for family outings.

Children in Atkinson are fortunate to be able to participate in such programs as basketball, minor league and little league baseball and junior league football. Also, girls in the lower and upper intermediate age levels are enjoying swimming at the Haverhill YMCA and softball in the spring.

The use of Sawyer's Pond is enjoyed by both young and old for ice skating. With the added lights, it makes for good night skating too.

Our Atkinson Days Dance was again very successful and enjoyed by all who attended. It has already become an established fact that this is one of the best dances of the year and it shows, as each year the crowds are bigger.

Many plans are already in process for another year of recreation for both young and old in our town. The possibility of a ski tow in the area is up for discussion and it's our every hope that it gets the support it needs to be successful.

REPORT OF HOUSING AND REDEVELOPMENT AUTHORITY

During 1970, the option agreement for land in Area 6 with Ruth and Ralph Sawyer was renewed for a period of two years. Three inquiries were made by prospective buyers of lots, but on follow-up were not interested.

The members investigated a refuse processing machine and recommended to the Planning Board and the Selectmen that a parcel of land in Area 4 be approved for the use of this machine.

The sale of a parcel of land in Area 5 was investigated for use of the construction of a building for assembly of small machines and this was also recommended to the Planning Board and Selectmen.

An inquiry relative to the use of land in Area 4 for the purpose of creating runs for snowmobiles was discussed and an attempt was made to discourage the owner from embarking on this activity.

This year was slow with respect to individuals desiring to construct industrial facilities, and it is hoped that the year 1971 will bring a change in the money supply so that the construction of industrial buildings will be more active.

Respectfully submitted,

DAVID T. ADAMS
CHARLES J. MURPHY, JR.

FRANK L. PALLARIA, Secretary
ALBERT HABIF, Chairman
HABIB W. HABIB, Selectmen, Ex-officio

ATKINSON GARDEN CLUB

FELLOW TOWNSPEOPLE OF ATKINSON,

The Atkinson Garden Club has had an interesting, transitional year. The By-laws were updated, the meetings now occurring March through December on the first Thursday of the month.

The major event of 1970 was the Home and Garden Tour on June 4, sponsored by the New Hampshire Federation of Garden Clubs for the benefit of the Federation Scholarship Fund. The Atkinson Garden Club was most honored to host the occasion which over 700 persons attended, with the realization of approximately \$2,300 for the fund. The Garden Club is most appreciative of the tremendous effort expended by the Co-chairmen, Mrs. James Carr and Mrs. Peter Nemits, in planning the event. Also, we wish to extend our gratitude to the many home and garden enthusiasts who most graciously hosted the tour and to all who attended.

An additional honor came in the fact of two of our members accepting nomination to the board of the N. H. Federation of Garden Clubs; Mrs. Edward Noonan to the State Nominating Committee and Mrs. Ernest Lampron, Merrimack District Director.

Your Garden Club has continued the supervision and maintenance of the plantings at the Dow Common, Academy School, Rockwell and North Broadway Triangles, the town sign planting and the Christmas lighting of the tree at Kimball Library in memory of Mrs. Eno, the founder of the Atkinson Garden Club. We wish to thank the Selectmen for their cooperation with our Civic Beautification Committee in getting the Academy School planting resurrected after the water pipe construction had disrupted the foundation plantings there.

We have studied the use, control and disposal of pesticides as directed by the N. H. Pesticide Control Board and urge everyone to read the labels of household sprays and insecticides very carefully. Dangerous pesticides should not be disposed of at the dump, but should be buried in an isolated area on the householder's property at least 18" deep in their original containers. We have posted information at the Post Office for your inspection.

We regret that Mrs. Leslie Ewing, formerly of Sleepy Hollow Road resigned as President in November to take up permanent residence in Florida. She is sorely missed. Several new members have joined the Garden Club bringing the membership to 41. We all hope to continue to serve the community, thereby honoring and conserving Atkinson and the fair State of New Hampshire.

Respectfully,

Mrs. DAVID C. HANCOCK
1st Vice President

OUTDOOR BURNING REGULATIONS

FIRE PERMIT

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

EXCEPTIONS

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

PENALTIES

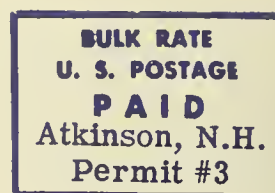

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means willfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

FIRE PREVENTION IS A PERSONAL MATTER AND A GOOD HABIT. KEEP OUR TOWN
FREE FROM SMOKES IN 1971.

DANIEL STEWART
Forest Fire Warden

RALPH STEVENS
District Chief

Town of Atkinson, N.H.
